online menus

- Single-click access to all menus
- Digitize menus to be responsive and accessible (or use existing PDF files)
- Unlimited languages, menus, updates, menu views
- Smart features – expiry dates, future publishing, allergens, dietary preferences
- Share menus with customers and partners, on any number of websites
- Consistent synchronized display on hotel and restaurant microsites
- Include on Brand websites (Raffles, Fairmont, Swissôtel – Sofitel/all.accor tbc.)
- Use for all services and brochures (Spa, Meetings, Catering, etc.)
- Simple implementation: copy-paste of script directly into D-EDGE CMS

QR codes on property included

- Contactless – paper menu alternative
 - Permanent QR codes by venue
 - Content synchronized with online menus
 - Smart features – menu groups by service, favorites list
- Hotel Directory – single-scan access to all dining venues and hotel services

rapid onboarding – go live in 48 hours!

- Simple service agreement
- Account set-up within 24 hours
- Instructions, training, customization and support provided
- Ongoing reviews and monthly reporting

€600 annually

PER PROPERTY – all venues

including QR codes for F&B and Hotel Directory
